Notice: Electronic Filing Available January 5, 2009

The United States Bankruptcy Appellate Panel of the Tenth Circuit (“BAP”) is pleased to announce the availability of electronic filing using the CM/ECF Appellate system as of January 5, 2009. Initially, electronic filing with the BAP will be voluntary. Benefits to you with electronic filing include:

- ▶ A substantial reduction in your office’s printing, copying, and mailing expenses.
- ▶ Access to electronic case filing 24 hours a day, every day, for viewing or filing papers with the BAP.
- ▶ Immediate e-mail notification of all BAP Notices of Docketing Activity (“NDAs”).

If you previously registered to receive electronic service from the BAP, you already have the login and password (separate from your PACER login and password), which will serve as your BAP ECF login and password. If you are not yet registered for electronic service, please click on the link entitled “CM/ECF & PACER” on the BAP website (www.bap10.uscourts.gov) for step-by-step instructions and a training presentation that details the registration process. Registration is free, easy, and takes approximately five minutes or less.

The BAP website will include a link to Interim ECF Procedures and Guidance (“ECF Procedures”). Electronic transmission to the CM/ECF system consistent with the ECF Procedures will constitute filing under the Federal Rules of Bankruptcy Procedure and the BAP’s Local Rules. We encourage you to become familiar with the ECF Procedures on the BAP website. We anticipate that the procedures will be amended from time to time as the need arises. If you are registered as a CM/ECF e-filer, you will receive e-mail notification of changes to the BAP’s ECF Procedures.

At the BAP Clerk’s Office, our mission is to provide friendly and efficient quality service to the bench, bar and public. We welcome and encourage your feedback. Please do not hesitate to call us at (303) 335-2900 if you have any questions or need assistance.
